EGBAH ANTHONY OGHENEOVO,
FULL-STACK DEVELOPER
+2349039927336, thonieetega182@gmail.com
PORTFOLIO: https://my-business1.vercel.app/

Driven by a passion for technology, I seek a dynamic role in an innovative organization to contribute my proficiency in as a **full-stack developer.** I aspire to join a team that fosters to continuous learning, creativity and collaboration, allowing me to further enhance my skills in a positive work environment. I am committed to delivering high-quality results while maintaining a healthy work-life balance.

WORK EXPERIENCE

Next.js   01/2024 - **Till date**
Vierra LLC
- During my professional experience at VIERRA, I had the opportunity to work extensively with Next.js, a React framework that enables seamless server-side rendering and efficient client-side navigation.
- My role involved leveraging Next.js to build dynamic and performance web applications, capitalizing on its features such as automatic code splitting, server-side rendering, and an intuitive API for routing.
- VIERRA's projects with Next.js allowed me to enhance my skills in React development, providing a robust foundation for creating modern and responsive user interfaces.

Full-stack Developer, Intern   08/2023 - **Till date**
TECH STUDIO, Lagos State
- Participated in the development and maintenance of web applications, fostering a deeper understanding of the end-to-end development process.
- Collaborated closely with the development team, contributing to the implementation of innovative solutions.
- Gained practical experience in troubleshooting and debugging code, refining problem-solving skills.
- Adapted quickly to new technologies and frameworks, showcasing a strong ability to learn and apply new concepts efficiently.

Production Assistant,   **2017 - 2018**
LEOPLAST INDUSTRY LIMITED, Ogun State
- Assisted in the production process, contributing to the efficient and timely completion of tasks
- Collaborated with team members to ensure the smooth flow of operations in a fast paced manufacturing environment
- Implemented quality control measures to uphold product standards and meet customers requirement.
